

ULTIMATE VALET

EST TIME: 3 HOURS
FROM £95

This **ULTIMATE** package involves cleaning and restoring a vehicle's interior and exterior to a pristine condition. These packages are designed to cater to various needs and preferences.

WHAT'S INCLUDED:

EXTERIOR

- The use of deionised 0ppm water to guarantee a spot-free finish.
- Wheels cleaned including wheel faces, and inner barrels, with iron fallout decontamination.
- Tyre walls cleaned with a dedicated tyre cleaner.
- Citrus prewash to release any stubborn road grime and traffic film.
- Snow foam pre-cleanser applied to safely loosen dirt.
- Soft detailing brushes used to agitate the commonly overlooked areas such as badges, emblems and petrol caps.
- Wheel arches brushed and pressure washed.
- Safe two bucket hand wash using a pH neutral shampoo and plush lambswool wash mitts.
- Hand dried using plush microfibre drying towels.
