

WINTER PROTECTION

EST TIME: 5 HOURS
FROM £250

As the seasons change, so do the maintenance needs of your vehicle. Winter poses unique challenges that require specific attention. A Winter Protection Detailing Package is a comprehensive solution tailored to address these challenges and protect your vehicle from the winter elements.

WHAT'S INCLUDED:

EXTERIOR

- The use of deionised 0ppm water to guarantee a spot-free finish.
- Wheels cleaned including wheel faces, and inner barrels, with iron fallout decontamination.
- Tyre walls cleaned with a dedicated tyre cleaner.
- Citrus pre wash to release any stubborn road grime and traffic film
- Snow foam pre-cleanser applied to safely loosen dirt.
- Soft detailing brushes used to agitate the commonly overlooked areas such as badges, emblems and petrol caps.
- Wheel arches brushed and pressure washed.
- Safe two bucket hand wash using a pH neutral shampoo and plush lambswool wash mitts.
